

19th International Conference Cardis 2024 Virtual Event: Redefining Healthcare through Innovation and Collaboration

The 19th International Conference Cardis 2024 Virtual Event will be held on November 18-19-20, 2024. The conference will bring together world-renowned experts in the field of healthcare to discuss the latest advances in medical technology, research, and best practices. Attendees will have the opportunity to learn from the best and brightest minds in the industry, network with other professionals, and discover new solutions to improve patient care.

The keynote speakers for the 19th International Conference Cardis 2024 Virtual Event are:

- **Dr. Anthony Fauci**, Director of the National Institute of Allergy and Infectious Diseases
- **Dr. Francis Collins**, Director of the National Institutes of Health
- **Dr. Paul Farmer**, Co-Founder and Chief Strategist of Partners In Health

These distinguished speakers will share their insights on the most pressing challenges facing healthcare today and discuss the future of medical care.
