li>Has something for everyone, regardless of age or skill level

What People Are Saying

"Mashed Potatoes Happy Garden Happy Veggies is a wonderful resource for families who want to grow their own food and teach their kids about healthy eating. The recipes are easy to follow and the vegetables are delicious. We've been using this ebook for a few months now and we've already seen a big difference in our kids' interest in gardening and healthy eating."

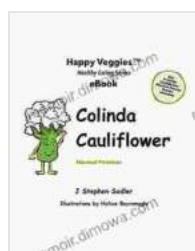

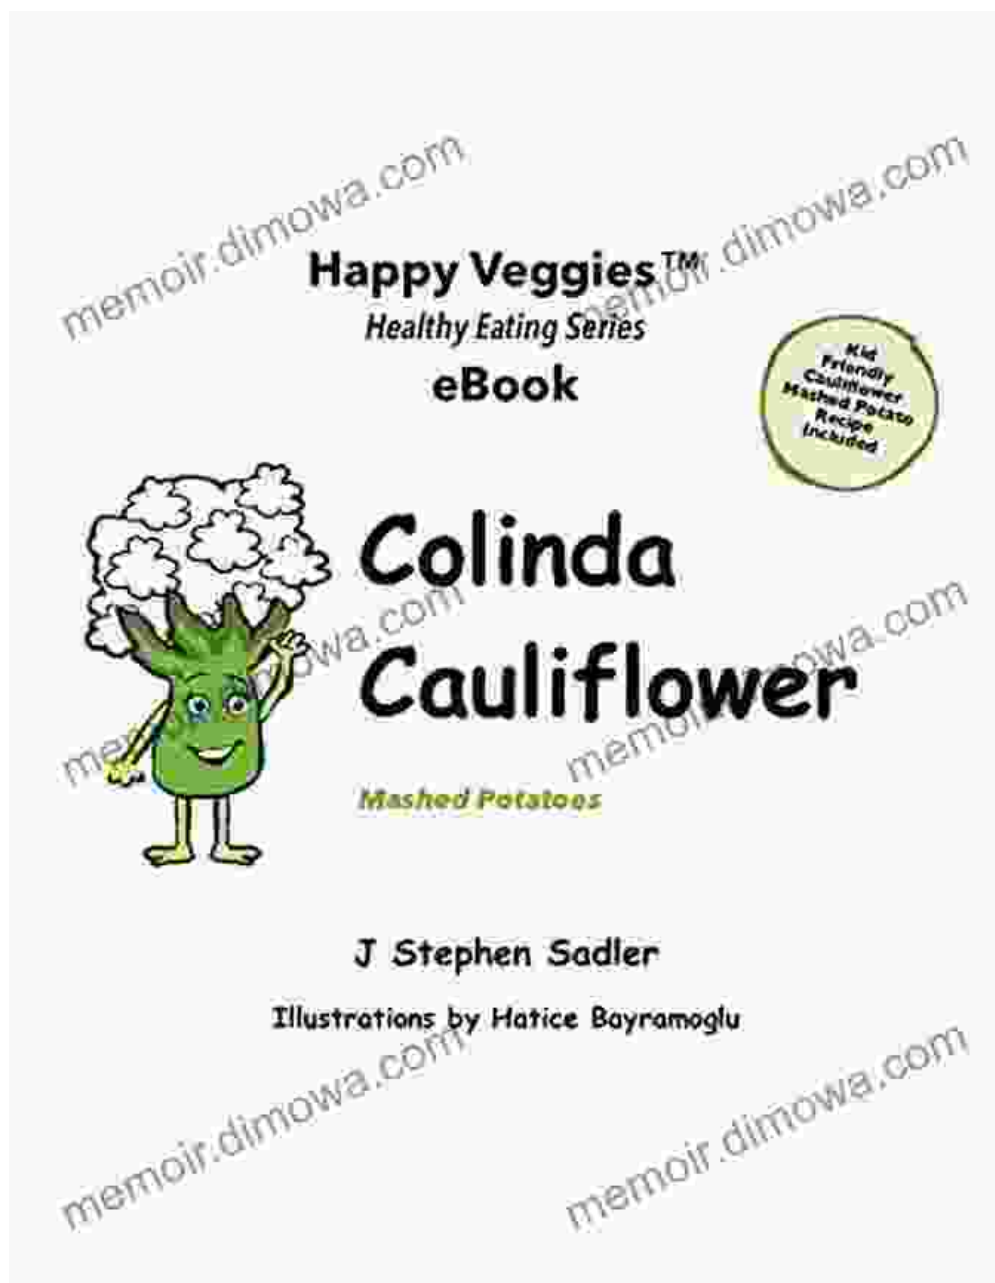

- Sarah, mother of three

"I'm a teacher and I use Mashed Potatoes Happy Garden Happy Veggies in my classroom. It's a great way to get kids interested in science and nutrition. The kids love growing their own vegetables and then cooking them up into mashed potatoes. It's a fun and educational experience that everyone can enjoy."

- Jennifer, teacher
