In the unforgiving landscape of the American frontier, where the law was scarce and violence was a way of life, a handshake was a sacred bond and a man's word was his honor. But even in this harsh and unforgiving land, there were those who would break their oaths and betray their trust.

Shake On It And Spit In The Dirt is an epic tale of honor, betrayal, and the Old West. This gripping novel follows the journey of two brothers, Billy and Jesse, as they navigate the treacherous landscape of the American frontier. Billy, the older brother, is a respected lawman, while Jesse is a charismatic

outlaw. Despite their different paths, the two brothers share an unbreakable bond.

When Billy is falsely accused of a crime, Jesse must put his own life on the line to save his brother. But as the stakes get higher and the danger mounts, Jesse begins to question everything he thought he knew about his brother. Is Billy really the innocent man he claims to be? Or is there something more sinister at play?

As Jesse delves deeper into the mystery, he uncovers a web of lies and deceit that reaches the highest levels of power. He soon realizes that the only way to save his brother is to risk everything, even his own life.

Shake On It And Spit In The Dirt is a gripping tale of suspense, betrayal, and the unbreakable bonds of family. With vivid prose and unforgettable characters, this novel will keep you on the edge of your seat from beginning to end.
