This book is packed with over 100 game-based activities that will help your players develop their game sense and make better decisions on the field. The activities are designed to be fun and engaging, and they can be used with players of all ages and abilities.

The book is divided into four sections:

1. **Skills:** This section covers the basic skills of rugby, such as passing, catching, running, and tackling.

2. **Decision Making:** This section teaches players how to make good decisions on the field, such as when to pass, when to run, and when to kick.
3. **Game Sense:** This section helps players develop their game sense, which is the ability to read the game and make good decisions based on what they see.
4. **Activities:** This section contains over 100 game-based activities that you can use to teach your players the skills, decision making, and game sense they need to succeed.

The Ultimate Game Sense Tool To Teach Rugby Skills And Decision Making is the perfect resource for any rugby coach who wants to help their players improve their skills and decision making.

What's Inside?

The Ultimate Game Sense Tool To Teach Rugby Skills And Decision Making is packed with over 100 game-based activities that are designed to help your players develop their game sense and make better decisions on the field.
