The Easy Keeper Spotlight on Equine Nutrition Teleseminar is a comprehensive and in-depth educational event that will empower you with the knowledge and tools to address the unique nutritional challenges of easy keepers. Led by a team of industry-leading equine nutritionists and veterinarians, this teleseminar will provide you with practical strategies to manage your horse's diet and optimize their overall health.

### **Discover the Keys to Easy Keeper Nutrition**

- **Understanding the Physiology of Easy Keepers:** Delve into the unique metabolic characteristics of easy keepers and learn how their bodies process nutrients.
- **Balancing Essential Nutrients:** Explore the optimal balance of carbohydrates, fats, proteins, vitamins, and minerals for easy keepers, ensuring their nutritional needs are met without overloading their systems.
- **Managing Insulin Resistance:** Gain insights into the principles of managing insulin resistance in easy keepers, including dietary strategies and exercise recommendations.
- **Supporting Hoof Health:** Discover the nutritional factors that contribute to healthy hooves in easy keepers, helping to prevent common hoof problems.

- **Practical Feeding Strategies:** Implement proven feeding strategies tailored to the specific needs of easy keepers, ensuring they receive the right nutrients at the right time.

## Meet the Expert Faculty

Our team of expert faculty includes:

- **Dr. Juliet Getty, PhD:** Internationally renowned equine nutritionist and author of multiple books on equine nutrition, including "Feed Your Horse Like a Horse" and "The Easy Keeper."
- **Dr. Eleanor Kellon, VMD:** Veterinarian, equine nutritionist, and author of "Equine Metabolic Syndrome: It's Not Just Fat!" and "Horse Nutrition: The Science Behind Feeding Your Horse."
- **Dr. Carrie Finno, DVM:** Veterinarian with a special interest in equine nutrition and metabolic disorders, author of "Unlocking the Secrets of Equine Nutrition."

## Benefits of Attending the Teleseminar

- **Gain Invaluable Knowledge:** Acquire a comprehensive understanding of equine nutrition, with a focus on the specific challenges of easy keepers.
- **Empower Yourself with Practical Strategies:** Leave the teleseminar equipped with practical tools and strategies to improve your easy keeper's diet and overall health.
- **Connect with Experts:** Interact with our expert faculty and fellow attendees, sharing experiences and gaining valuable insights.

- **Receive Exclusive Materials:** Access exclusive handouts, resources, and recordings of the teleseminar for future reference.
- **Invest in Your Horse's Health:** Make a lasting investment in the well-being of your easy keeper by providing them with optimal nutrition.
