

# Ventriloquism: The Art, Craft, and Profession Revealed by Al Stevens

Ventriloquism is the art of creating the illusion that a voice is coming from somewhere other than its true source. This can be done through a variety of techniques, including speaking from the diaphragm, using a puppet, or throwing your voice. Ventriloquism has been used for centuries to entertain audiences of all ages, and it remains a popular form of entertainment today.

In his book *Ventriloquism: The Art, Craft, and Profession*, Al Stevens shares his insights into the art of ventriloquism. Stevens is a world-renowned ventriloquist who has performed for audiences around the globe. He has also taught ventriloquism to thousands of students, and he is considered one of the leading experts on the subject.
