What's Inside the Training Academy?

The Training Academy is divided into three sections:

1. **The Foundation:** This section provides a solid foundation in the basics of reading. You will learn about the different parts of speech, how to

decode words, and how to understand basic sentence structure.

2. **The Building Blocks:** This section builds on the foundation by teaching you how to read and understand more complex texts. You will learn about different types of text structures, how to identify main ideas and supporting details, and how to make inferences.
3. **The Journey:** This section is where you will put your new skills to the test. You will read a variety of texts, from short stories to non-fiction articles. You will also complete comprehension exercises and writing assignments to assess your progress.
